WHOLESALE LIST

LINING-OUT STOCK

1938-1939

MEMORANDUM

This list has much new material, which will be of real interest to your customers and attract new and desirable prospects. Nothing will make a stronger appeal and increase your sales volume than your reputation for having something unusual to offer, in addition to a well rounded-out line of fresh, well grown general nursery stock.

TERMS:—We will allow discounts of 5 per cent for cash with order or C. O. D.; as well as a quantity discount of 5 per cent on orders of 500 or more of one variety.

Packing at actual cost.

Now is the time to plan for an increasing future demand by a careful selection of your lining-out stock for immediate canning, potting and planting.

We feature only quality stock, strictly in accordance with official grades and standards.

Non-Warranty—We give no warranty expressed or implied as to description, quality, productiveness, or any other matter, of any nursery stock, trees or plants we sell, other than the original price of the stock at the date of sale.

All orders accepted subject to loss and/or delay through causes beyond our control and will be filled in rotation.

This list cancels all previous issues. Prices subject to change without notice.
